Re: Docket No. AB-167 (Sub-No. 1095X).

Dear Mr. Brady:

Thank you for informing us about the proposed construction associated with the above referenced project. Our review indicates that there are no religious or culturally significant sites in your project area and that since construction is to take place on an existing structure, or in a previously disturbed area (i.e. underwater, existing right of way, etc.), there is little potential for impacting unknown archaeological sites.

However, we ask that if any human remains are accidentally unearthed during the course of the project that you cease development immediately and inform the Delaware Tribe of Indians of the inadvertent discovery.

If you have any questions, please feel free to contact this office at 220 NW Virginia, Bartlesville, OK 74003 or by phone, (918) 336-5272.

Sincerely,

Brice Obermeyer, Ph.D.
